2022 State Convention  
Lubbock, Texas ~ June  
15-18, 2022

**Minutes of Meeting: March 1, 2022 Continued**

Leslie, Lolly and Joan have had a lot of health concerns, either with themselves or their spouses. Karen Avey is going to contact each of them to let them know how much we miss them being with us! Lolly notified Rosandra that our former member, Lydia Esquivel, passed away unexpectedly last weekend from cancer. Although she had had some health problems, she was unaware of her cancer. Our sympathies go out to her family.

Founder's Day – Kappa Iota is in charge of this event this year. It will be held on Saturday, May 7<sup>th</sup> at the Women's Club. Our program will be a Jeopardy themed game with answers about our founders. Rosandra will be sending a Founders power point to each chapter president in our Area. Some of us have submitted our answers for the template, but Rosandra asked that we each submit answers in each of the 5 categories for the two founders we are submitting. Those can be submitted via the Google document or sent directly to Cyndy or Rosandra and they will enter them. Cyndy will work on an invitation to send to all chapter presidents. The program will also include state convention updates from Deborah Payne, State updates from Shalon Inman, and Area updates from Sonja Hanks. Robin Lock will contact the Women's Club to confirm our date and decide on a menu and cost.

We were reminded to pay our dues before May 31<sup>st</sup>. The amount will remain at \$70 and can be sent to Derlyn any time. You can also "split" your payment, if that is helpful. Derlyn will send out an email to all members with all the information.

Meeting adjourned in order to prepare the 12 goodie bags for the LCU student teachers. Unless we have any new members joining, we will not meet again until the Founder's Day luncheon.

Minutes taken and respectfully submitted by,  
Janey Bibb – 2<sup>nd</sup> vice-president
